

Millions Of People Are Victims of Crime Annually- Don't Be One Of Them!

Safety experts agree the single most important step toward ensuring your personal safety is making the conscious decision to Refuse To Be A Victim®. You stand a much better chance of preventing criminal attack if you develop a safety plan before you need it. That is why the Refuse To Be A Victim® crime prevention seminar was developed. It is a program of the National Rifle Association.

The seminar teaches easy-to-understand methods you can use to increase awareness and prevent criminal confrontation. In just four hours, you will get the tools you need to develop your own personal safety strategy, including information about:

- The Psychology of the Criminal Mind
- Home & Phone Security
- Automobile & Travel Security
- Personal & Technological Security
- Self-Defense Devices and Training Options
- And more!
